SUMMARY

Computer Science and Engineering student pursuing B.Tech with a strong foundation in Java, Data Structures and Algorithms, Web Development, JavaScript, and SQL. Passionate about building practical projects, solving programming problems, and continuously learning modern software development technologies. Seeking opportunities to apply technical skills through software development internships and real-world projects.

EDUCATION

B.Tech — Computer Science & Engineering Oriental Institute of Science and Technology	Bhopal, Madhya Pradesh Currently pursuing — 5th Semester CGPA: 8.32
Class XII — PCMB Shree Ganesh Gyan Academy	Betul, Madhya Pradesh 2023–2024 88.2%
Class X Shree Ganesh Gyan Academy	Betul, Madhya Pradesh 2021–2022 93.2%

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, C++
Web Development: HTML5, CSS3, JavaScript, DOM
Frameworks: React, Express.js
Database: SQL
Core Concepts: Object-Oriented Programming, Data Structures & Algorithms
DSA: Arrays, Strings, Searching, Sorting, Hashing
Tools: VS Code, Git, GitHub, IntelliJ IDEA
Currently Learning: Advanced Web Development, AI & Generative AI

PROJECTS

Personal Portfolio Website — HTML, CSS, JavaScript

- Designed and developed a responsive personal portfolio website.
- Created sections for profile, skills, projects, education, resume, and contact information.
- Implemented responsive navigation and interactive UI components using JavaScript.
- Added animations, hover effects, and a modern developer-focused interface.

Spotify Clone — HTML, CSS, JavaScript

- Developed a responsive music-player interface inspired by modern streaming platforms.
- Implemented structured layouts and interactive UI components.
- Practiced responsive design, CSS animations, hover effects, and JavaScript-based interactions.

CERTIFICATIONS & TRAINING

NPTEL — Programming in Java | Score: 90%

- Successfully completed the Programming in Java certification through NPTEL.

Java Application Development Internship — TechDigi Software Pvt. Ltd.

- Completed a 60-hour internship/training program focused on Java Application Development.
- Gained practical exposure to Java programming and application development concepts.

TechSprint Hackathon 2025 — Google Developer Groups (GDG)

- Certificate of Participation.
- Participated in a technical hackathon and gained experience in collaborative problem-solving and project development.

TECHNICAL ACTIVITIES

- Participated in Google Developer Groups (GDG) on-campus activities.
- Continuously practicing Data Structures and Algorithms using Java.

SOFT SKILLS

Adaptability • Quick Learner • Good Listener • Discipline • Problem Solving • Team Collaboration • Communication
